Human Resources Development and HR Business Partner (ACHRM)

Why Attend

- This course combines two of eight modules of the Advanced Certificate in Human Resource Management which are Human Resources Development and HR Business Partner.
- Human Resource Development aligns organizational business needs with employees' competencies, knowledge, and skills, effectively closing the gap between them. HR demonstrates strategic value by identifying and creating learning opportunities that increase employee capability and organizational knowledge. This module outlines a comprehensive, step-by-step approach to analyzing, designing, developing, implementing, evaluating an effective Human Resource Development (HRD) strategy and plan which is also aligned with both Career and Leadership Development.
- Develop the necessary skills to become an effective HR business partner and maximize the value of HR in your organization. Explore the positive impact of the HR business partner role and how the use of an HR business partner structure improves HR services across an organization. How to build a business case and engage in group discussions to enhance your consulting skills, business acumen and analytics to strategically contribute to organizational goals.

Course Methodology

- Modules within the Advanced Certificate in Human Resource Management (ACHRM) are uniquely designed; no prerequisites are required, and the learner can enter the program at any time. Plus, the complete Certificate program involves a wide variety of learning experiences including group discussions, individual and group activities, case studies, toolkit development and a post-test reinforcement of learning at the end of each module.
