Mini-MBA for Human Resource , Learning and Development Professionals in the Oil , Gas & Petrochemical Industry

INTRODUCTION

- As the international environment becomes ever more complex and demanding, organisations are placing a premium on HR Professionals whose outlook, knowledge and skills enable them to achieve and maintain success in an increasingly challenging environment.
- This 10-Day Mini-MBA training course will focus on providing participants with maximum take-home value from their investment in their own development. While this Mini-MBA does not provide participants with a formal qualification, it does introduce participants to all the key areas that would be covered in a formal MBA Programme majoring in HR.
- This interactive and engaging training course examines how to master the critical areas of Human Capital Management, HRM and Learning & Development. On this course, you will learn how to become a real partner in the organisation. You will also learn about the latest and best practices in training and organisational learning. This exciting training course has an emphasis on the Oil, Gas, Petrochemical and related industries.

This training course will highlight:

- Best practice in HR and Human Capital Management
- Training management in world-class organisations
- Employee reward, performance and resourcing
- Organisational strategy and its link to HR
- Managing your training and learning spend properly
- Career development and talent management

OBJECTIVES

- Demonstrate an understanding of organisational learning theory
- Explain the concept of effective training management
- Utilize the skills of organisational development for organisational learning & training management
- Apply appropriate skills for developing a learning organisation
- Develop training suitable for a particular audience or workgroup
- Explain the importance of strategic human capital management
- Formulate a plan to transform strategic requirements into HR objectives
- Demonstrate an understanding of employee resourcing, recruitment & reward

TRAINING METHODOLOGY

- This training course will utilise a variety of proven adult learning techniques to ensure maximum understanding, comprehension and retention of the information presented. This course includes stimulating presentations supporting each of the topics together with interactive trainer lead sessions of discussion.
- There will also be practical sessions where participants have the opportunity to practice and experience course-related activities. Realistic and fun exercises, short video presentations, small group work, case studies, exercises, and feedback, will be used to facilitate learning.

ORGANISATIONAL IMPACT

This training course will have a positive impact on your organisation in the following ways:

- Enhanced human capital management
- Staff promoting learning and development in their organisation
- Build organisational learning company wide
- Improved employee engagement
