Strategic HR Business Partner

INTRODUCTION

- The past few decades have seen dramatic changes in how the Human Resource profession is organized and how it aligns itself with the strategic orientation of the organization it serves. These changes have seen human resource adopt many of the practices from other functional groups like marketing, quality control and information management.
- One of the key areas that has seen the greatest impact has been how the HR function is organized. This new structural model of HR helps the function balance efficiency and quality of customer service and consistency with adaptability. In order to make the new model work, HR must understand how the different parts of HR are coordinated to produce value to the organization.
- The Human Resource Business Partner is the most strategic part of the HR team. They typically are experienced generalists but require a much deeper understanding of the business organization and how the HR function helps them achieve their goals.

This training seminar will highlight:

- The role of the HR Business Partner, skills & competencies required and HRBP Models by Thought Leaders
- Partnering Skills to influence, gain commitment & buy-in from Business Leaders
- Become an Internal Consultant in Action by diagnosing challenges, developing & deploying interventions, measuring impact
- Coaching and Facilitation Skills to provide coaching and conduct effective meetings, training sessions, and feedback sessions
- Managing change by partnering with leaders, teams, and stakeholders to create a sustainable change process
- Manage projects, reinforce change and overcome resistance
- Learn problem solving and negotiation skills, how to evaluate and Measure Success

OBJECTIVES

- Understand the evolution of the HR Function till date and understanding the context & role of the HR Business Partner in the 21st century
- Learn HR Business Partner Models, learn to conduct a Gap Analysis and steps to become strategic and align the HR Business Partner role with Business
- Develop the building blocks for becoming a Business Partner focused on developing rapport & empathy, establish & maintain trust and build credibility for themselves and the function
