WINNER OF THE AWARD FOR THE BEST  
TRAINING INSTITUTE IN THE GULF

# Shipping Management, Leadership & Strategy

## INTRODUCTION

- This highly current training course will provide the basis for understanding the trends which prevail in shipping at present and provide the tools for unlocking your potential. Primarily intended for professionals who already have exposure to shipping, this training course is designed so as to support participants in updating their knowledge of the sector and developing their skills in order to enhance their confidence and motivation and become a successful strategist and leader. This training course will provide a bridge to participants for achieving the next level of effectiveness, revitalising their vision, and investing more successfully on people and strengths.

This training course will feature:

- Shipping, trade, and finance
- Maritime and port operations
- Legal frameworks
- Delivery of vision through the human element
- Creating value

## OBJECTIVES

By the end of this training course, participants will be able to:

- Identify current trends in shipping management
- Gain a better understanding of the legal environments surrounding shipping
- Understand game drivers in shipping for generating growth
- Integrate new perspectives and enhance strategic thinking
- Identify their leadership potential

## TRAINING METHODOLOGY

- This training course will make use of a variety of proven adult learning techniques to ensure maximum understanding, comprehension and retention of the information presented, and deliver an exciting and meaningful learning experience. This includes lectures with active delegate participation including problem solving, reflection and discussions. Several experiential exercises will be used, with the focus being placed on current trends, industry best practice, and the interaction of attendees.

## WHO SHOULD ATTEND?

This training course is suitable to a wide range of professionals but will greatly benefit:

- Executives and managers ashore from the shipping and oil and gas industry
- Maritime professionals working onboard
- Independent maritime professionals
- Administrators
- Senior professionals from other sectors
